

CHIANTI CLASSICO 2013

Aiola lies in the heart of the Chianti Classico DOCG area. The manor is what remains from the original Aiola castle which was built in the 1600's during the war between Florence and Sienna. New owners took over the winery in 2012 and have made massive investments in the winery and vineyards. Chianti Classico 2013 is a wonderful expression of what Tuscan Chianti can be.
